Intelcomp Platform vs HFRI

**Analysis of HFRI's current data (2016 -2023)**

- **Hellenic Research Community topics of interest, demographic data, etc.**
- **Comparison with the respected EU and worldwide data.**
- **Detection of topics/needs that should be highlighted? (i.e. specific Scientific/Thematic Areas?)**

Strategy for Multiannual Financial Framework (2024 – 2030)

- **Type and/or Topics of next Calls**
- **Special Calls** (as i.e. the emblematic action announced in 2020 entitled "Interventions to address the economic and social effects of the COVID-19 pandemic")

Pilot use of AI in the evaluation and monitoring processes

- **Connection with HFRI's registry**
- **Suggestion for possible proposals' evaluators or experts for the monitoring of Projects' technical activities.**
